TOWN OF GILMANTON

- NEW HAMPSHIRE -

ANNUAL REPORT

For The Year Ending

December 31, 1999

Annual Report

of the

Town Officers

for

The Fiscal Year Ending

December 31, 1999

DEDICATION

CHIEF MAURICE “BUD” R. SALMON, II

1975 – 1981 – Patrolman – Belmont Police Department
1981 – 1982 – Investigator – Belknap County Sheriff’s Department
1982 – 1984 – Sergeant – Gilmanton Police Department
1984 – 1999 – Chief of Police – Gilmanton Police Department

“Bud” Salmon came to the Gilmanton Police Department as a Sergeant after Sgt. Kevin Stevens left to join the New Hampshire State Police. In 1984, Chief Edward Sullivan also left the Gilmanton Police Department to go to the then New Hampshire Division of Highway Enforcement. When Chief Sullivan left, the Town promoted Sgt. Salmon to the rank of Chief.

During his tenure as Chief of Police, he was responsible for many improvements to the brand new police department. Since the department was formed in 1981, a lot of work was needed to establish and implement everything from hiring and field training procedures to routine administrative and clerical duties and procedures.

As the times changed, the need for rules and regulations were becoming vital to help reduce liability issues to the Town. He, along with now retired Chiefs George Prescott, Thomas Mynczywor and Michael McCarty, developed, wrote and implemented the department rules and regulations that the New Hampshire Municipal Association had adopted as model policies.

By his example of perseverance, professionalism and dedication, his officers would work not only for the good of the department and the Town, but to better themselves. He stressed training, progression and working to further your professional career. He chose to lead by example, working full time while working to obtain his Bachelor’s Degree in Law Enforcement Management.

Chief Salmon also knew the importance of community policing before it became a “buzz word”. Throughout his career with the Gilmanton Police, he was active in Town, school and inter-department programs and organizations. His officers also participated willingly because of the examples that he set.

We would like to take this time to recognize Chief Salmon and thank him for his 17 years of service to the Town of Gilmanton, its residents, visitors and members of the Gilmanton Police Department.

Elizabeth R. "Betty" Smithers

9/22/32 – 8/16/99

In Memoriam

Elizabeth R. "Betty" Smithers

9/22/32 – 8/16/99

Gilmanton lost an asset and treasure this past year in the death of Betty Smithers. In her 44 years of residency in Gilmanton, Betty continuously gave of herself toward the advancement of the town. As a president of the PTA, Director of the School Lunch Program, and Cub Scout Leader in the sixties, Betty saw to it that the best possible services were brought to the sons and daughters of Gilmanton. In 1966, Betty was elected as Town Clerk, a position that she held for 33 years “carrying” the ballot with the most number of votes of any person running on the ballot. In 1985, she pursued a combination position of Town Clerk and Tax Collector and, again, excelled in accomplishing these tasks with care and concern for the town’s best interest in mind. She also served as a Selectman for six years (the first woman to hold that office in Gilmanton history). From the early days of running the office from her front hall at home, moving to the Town Hall basement and finally to the refurbished Academy Building, Betty remained committed to Gilmanton and minded its best interests. Her warm smile, wit and extensive knowledge welcomed people. Whether it was the new resident or the UPS man who always needed directions; Betty always knew how to find just about anything or anyone in this town.

Family was everything to Betty and she had several. Her four children and six grandchildren were foremost, but she also had a family in the people of Gilmanton. The welfare and respect of all were foremost to her. Betty’s direct approach and frankness were her strengths along with her desire to help anyone. Betty often prayed that “If I can’t help someone today, please let me not hurt anyone”.

She will be missed and surely gave the most of herself, an immeasurable gift.

Her family would like to thank the Gilmanton Community for their support, love and respect, particularly in your donations to the Phase II Fund for the restoration of the Academy, a building she particularly loved.

We often speak of the *Fathers* of a particular town or community. Gilmanton has lost one of the finest *Mothers* of the community.

You are missed, Betty!

Independent Auditor's Report on Financial Presentation

To the Members of the Board of Selectmen
Town of Gilmanton, New Hampshire
Gilmanton, New Hampshire

We have audited the accompanying general-purpose financial statements of the Town of Gilmanton, New Hampshire as of and for the year ended December 31, 1998. These general-purpose financial statements are the responsibility of management. Our responsibility is to express an opinion on these general-purpose financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the general-purpose financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the general-purpose financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall general-purpose financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

The general-purpose financial statements referred to above do not include the general fixed assets account group which should be included in order to conform with generally accepted accounting principles. As is the case with most municipal entities in the State of New Hampshire, the Town of Gilmanton, New Hampshire has not maintained historical cost records of its fixed assets. The amount that should be recorded in the general fixed assets account group is not known.

Governmental Accounting Standards Board Technical bulletin 98-1, *Disclosures about Year 2000 Issues*, requires disclosures of certain matters regarding the year 2000 issue. The Town of Gilmanton has included such disclosures in the Notes to Financial Statements. Because of the unprecedented nature of the year 2000 issue, its effects and the success of related remediation efforts will not be fully determinable until the year 2000 and thereafter. Accordingly, insufficient audit evidence exists to support the Town's disclosures with respect to the year 2000 issue. Further, we do not provide assurance that the Town of Gilmanton is or will be year 2000 ready, that the Town of Gilmanton's remediation efforts will be successful in whole in part, or that parties with which the Town of Gilmanton does business will be year 2000 ready.

In our opinion, except for the effect on the financial statements of the omissions described in the preceding paragraphs, the general-purpose financial statements referred to above present fairly, in all material respects, the financial position of the Town of Gilmanton, New Hampshire, as of December 31, 1998, and the results of its operations and the cash flows of its nonexpendable trust funds for the year then ended in conformity with generally accepted accounting principles.

Our audit was made for the purpose of forming an opinion on the general-purpose financial statements taken as a whole. The combining and individual fund financial statements and schedules listed in the table of contents are presented for purposes of additional analysis and are not required part of the general-purpose financial statements of the Town of Gilmanton, New Hampshire. Such information has been subjected to the auditing procedures applied in the audit of the general-purpose financial statements and, in our opinion, is fairly presented in all material respects in relation to the general-purpose financial statements taken as a whole.

Paul J. Mercier, Jr., CPA

The Mercier Group

March 17, 1999

The Mercier Group
A Professional Corporation
Independent Auditor's Communication of
Reportable Conditions and Other Matters

To the Members of the Board of Selectmen
Town of Gilmanton, New Hampshire
Gilmanton, New Hampshire

In planning and performing our audit of the Town of Gilmanton, New Hampshire for the year December 31, 1998, we considered the Town's internal control structure in order to determine the scope of our auditing procedures for the purpose of expressing our opinion on the financial statements. Our review of these systems was not intended to provide assurance on the internal control structure and should not be relied on for that purpose.

Under the standards established by the American Institute of Certified Public Accountants, reportable conditions involve matters coming to our attention relating to significant deficiencies in the design or operation of the internal control structure that, in our judgment, could adversely affect the Town's ability to record, process, summarize, and report financial data consistent with the assertions of management in the financial statements. A material weakness is a reportable condition in which the design or operation of one or more of the internal control structure elements does not reduce to a relatively low level the risk that errors or irregularities, in amounts that would be material in relation to the financial statements being audited, may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. Our consideration of the internal control structure would not necessarily disclose all matters in the internal control structure that might constitute reportable conditions and, accordingly, would not necessarily disclose all reportable conditions that are also considered to be material weaknesses as defined above.

We are pleased to report that, during the course of our review of internal controls, no material weaknesses in the Town's accounting systems and records were identified. Minor weaknesses or other considerations coming to our attention were generally procedural in nature and dealt with administrative or record keeping practices. In these instances, we made specific recommendations or provided instruction to those individuals involved during the course of our audit fieldwork. Areas of opportunity included:

Trust Funds – In connection with changes in GAAP reporting requirements, beginning in 1998, the trust investments have been restated to fair market values and individual trust balances have been recalculated on a unit basis by the Trustees. In previous years, Gilmanton's trust records have been maintained on the cash basis according to state guidelines. Under this method, income and expenses have been allocated on a cash basis (unrealized capital gains have not been allocated to the various trust funds). The Trustees recalculations and restatement of individual trust balances on a unit basis has resulted in significant changes in individual trust balances; some of which are now in a negative position due to prior year distributions on the cash basis.

The trustees, having been in contact with State Officials over what they believe to be conflicting GAAP requirements, inaccurate State accounting policies and their fiduciary responsibilities are working to resolve these issues in a prudent manner. Until the issue of individual trust valuation is resolved, it is not possible for the Trustees to adjust accounting records to the unit valuation. It is therefore important that extra care be exercised in allocating future income and expenses to individual trusts.

This report is intended solely for the information and use of management and others within the administration. This restriction is not intended to limit distribution of this report, which is a matter of public record.

Paul J. Mercier, Jr., CPA
The Mercier Group
March 17, 1999

MINUTES OF THE TOWN MEETING

MARCH 9, 1999

The meeting was called to order by the Moderator at 7:00 AM. It was voted to hold the adjourned meeting of Articles six (6) through twenty-eight (28) on March 13, 1999 at The Gilmanton School. Ballots were unsealed by the Deputy Town Clerk and given to the Ballot Inspectors for counting. The Ballot Box was shown to the voters present as being empty. It was voted to close the polls at 7:00 PM and to open the absentee ballots at that time.

ARTICLE #1: To choose the necessary Town and School District Officers for the year ensuing, by ballot. 603 Ballots cast. (See Results of Balloting)

ARTICLE #2: Are you in favor of the adoption of Amendment #1, *Change the Boundary of Smith Meetinghouse Historic District*, to the Zoning Ordinance (by petition). (The Planning Board DOES NOT support this amendment):

To change the boundaries of the Smith Meetinghouse Historic District to exclude the Bolton property, Tax Map 50, Lot 80, the only Smith Meetinghouse property on the southeasterly side of Stone Road.

YES 339* NO 230

ARTICLE # 3: Are you in favor of the adoption of Amendment #2, *Clarification of Front Property Line for the Purpose of Setback Calculation*, to the Zoning Ordinance. (The Planning Board DOES support this amendment):

To clarify the definition of “Setback” as it applies to front setbacks. The current setback definition refers to property lines. There has been confusion on the part of some applicants as to whether the front property line is the centerline of a Town road or Town right-of-way. This change clarifies that the front property line is defined by the Town right-of-way. It does not change the way that the ordinance is currently being interpreted.

YES 415* NO 132

ARTICLE # 4: Are you in favor of the adoption of Amendment #3, *Include fences as an Exception to Structures that may be placed in the Setback*, to the Zoning Ordinance. (The Planning Board DOES support this amendment):

To explicitly allow fences in the Setback area defined in the Zoning Ordinance.

YES 433* NO 107

ARTICLE # 5: Are you in favor of the adoption of Amendment #4, *Expiration of Variances*, to the Zoning Ordinance. (The Planning Board DOES support this amendment):

A Special Exception expires if the use for which it is granted shall cease for more than one year. As currently written, a Variance has no such expiration date, even though it may be potentially less consistent with a neighborhood as that neighborhood evolves. This amendment places the same time constraints on a Variance as on a Special Exception.

YES 367*

NO 175

The recessed meeting, determined by vote of March 9, 1999, was called to order by the Moderator at 10:00 AM at The Gilman School and the results of the balloting of March 9, 1999 were read. Total Ballots cast were 603.

Walter Mitchell was selected by the Moderator to lead the body in the salute to the flag.

The Town Clerk/Tax Collector Elizabeth R. Smithers swore in all elected officers present.

ARTICLE # 6: It was moved by David Russell and second by Jill Duca to see what sum of money the Municipality will vote to raise and appropriate for the support of Town Government and for the payment of the statutory obligations of the municipality for the 1999 fiscal year, exclusive of all other warrant articles. (Recommended by Selectmen \$1,673,938; Recommended by Budget Committee \$1,682,543):

	Selectmen Recommendation	Budget Committee Recommendation
Selectmen	\$470,579.00	\$464,421.00
Police Department	\$243,690.00	\$243,690.00
Fire Department	\$228,083.00	\$241,346.00
Highway Department	\$584,370.00	\$585,870.00
Solid Waste	<u>\$147,216.00</u>	\$147,216.00
TOTALS:	\$1,673,938.00	\$1,682,543.00

Cheryl Stafford offered an amendment to increase Parks and Recreation by \$200.00. Mrs. Stafford explained that this increase was to pay for additional swimming classes.

This amendment was second by David Russell.

Function 01-45200-190-00 -\$200.00.

This amendment was adopted by a voice vote in the affirmative.

An amendment was made by Alan Kingsbury, Sr. to reduce the Fire Department budget, Function Line 01-42200-190-30 (Salary -OT/FD) to eliminate the pay-off of the accrual hours in the Fire Department Budget to \$228,083.00. The amendment was defeated by a voice vote.

An amendment was made by J. Williams to re-instate the fire safety equipment costs of \$5,500.00. The amendment passed by a voice vote. Function 01-42200-810-10.

Total amount adopted was \$1,682,743.00

A motion to reconsider was adopted with a vote of YES - 83 * NO - 78

A motion by Thomas O'Flaherty was made to reduce the road betterment Block Grant (\$95,088.00). The motion was defeated by a voice vote in the negative.

A motion to approve the total amount of **\$1,682,743.00**, to support Town Government and for the payment of the statutory obligations of the Municipality for the 1999 fiscal year, was adopted by a voice vote as amended.

ARTICLE # 7: Stanley Bean moved to see if the Town will vote to raise and appropriate the sum of One Hundred Forty Two Thousand Five Hundred Dollars (\$142,500) to be placed in Capital Reserve for the following items: (Recommended by Selectmen 142,500; Recommended by Budget Committee \$142,500) Second was offered by David Russell.

	Selectmen Recommendation	Budget Committee Recommendation
Landfill Closure	\$ 75,000.00	\$75,000.00
Bridge Fund	\$ 5,000.00	\$ 5,000.00
Assessing Update	\$ 4,000.00	\$ 4,000.00
Tax Mapping	\$10,000.00	\$10,000.00
Refurbish 9M4 (Fire Dept.)	\$10,000.00	\$10,000.00
Refurbish Rescue/Ambulance (Fire Dept.)	\$ 5,500.00	\$ 5,500.00
Loader (Highway Dept.)	\$25,000.00	\$25,000.00
One Ton Truck (Highway Dept.)	<u>\$ 8,000.00</u>	<u>\$ 8,000.00</u>
TOTAL	\$142,500.00	\$142,500.00

This article was adopted in the amount of \$142,500.00 by a voice vote in the affirmative.

ARTICLE # 8: Phylis Buchanan moved to see if the Town will vote to establish capital reserve funds for the purposes listed below, and to see if the Town will vote to raise and appropriate \$14,500 for those listed purposes. (Recommended by Selectmen \$14,500; Recommended by Budget Committee \$14,500). Second was offered by Jill Duca.

Selectmen's Recommendation	Budget Committee Recommendation
Re-paving Iron Works Station Parking Lot (Fire)	\$ 2,500
Radios & Pager (Fire Dept.)	\$ 5,000
Hi Band/Mutual Aid	
Two Defibrillators (Fire Dept.)	<u>\$ 7,000</u>
	\$14,500
	\$ 7,000
	\$14,500

This article was adopted by a voice vote in the affirmative \$14,500.00.

ARTICLE # 9: Stanley Bean moved to see if the Town will vote to establish a capital reserve fund for the purchase of a new tractor/loader for the highway department, and to raise and appropriate \$35,000 to be deposited in that fund. (Recommended by Selectmen \$35,000; Recommended by Budget Committee \$35,000) Second was offered by Phylis Buchanan.

This article was adopted by a voice vote in the affirmative - \$35,000.00

ARTICLE #10: Stanley Bean moved to see if the Town will vote to raise and appropriate the amount of Twenty One Thousand Nine Hundred Twenty Seven Dollars (\$21,927.00) for the purpose of purchasing a new Police Cruiser. (Recommended by the Selectmen \$21,927.00; Recommended by Budget committee \$21,927.00). Second was offered by Phylis Buchanan.

This article was adopted by a voice vote in the affirmative -\$21,927.00.

ARTICLE #11: David Russell moved to see if the Town will vote to raise and appropriate the sum of Two Thousand Dollars (\$2,000), to be placed in a Non-Capital Reserve Fund authorized by RSA 35:1c, for the repair, maintenance or replacement of office equipment in the Selectmen's Office or Town Clerk/Tax Collector's Office, and to designate the Board of Selectmen as agents to expend. (Recommended by Board of Selectmen \$2,000; Recommended by Budget Committee \$2,000) Second was offered by Jill Duca.

This article was adopted by a voice vote in the affirmative -\$2,000.00.

ARTICLE #12: Shall we adopt August 1, prior to the setting of the tax rate, as the deadline for filing for an elderly exemption from the property tax? Motion made by Phylis Buchanan and second offered by David Russell.

Article 12 (cont'd.)

Motion made to pass over this article until the end of the meeting by Elizabeth Smithers with a second by David Russell was adopted by a voice vote in the affirmative.

ARTICLE #13: A motion was made by Jill Duca to see if the Town will vote to sell, by public auction, Town owned non-conforming lots in Sawyer Lake, to abutters only and merge with currently owned lots, the following fifty-three (53) lots. Second was offered by David Russell.

An amendment made by Phylis Buchanan with a second by Jill Duca to sell, by public auction or sealed bid, Town owned non-conforming lots in Sawyer Lake, to abutters only with the restrictions that these lots be merged with currently owned lots, the following fifty three (53) lots. (see list)

Lots include : Sawyer Lake

0023 0002 0000	L Adjacent SL Dam	22,100
0011 0002 0600	L 50 Sawyer Lake Road	8,700

This article was adopted by a voice vote in the affirmative.

ARTICLE #15: A motion was made by David Russell to see if the Town will vote to sell, by public auction, Town owned lots in Shellcamp, to abutters only and merge with currently owned lots, the following fourteen (14) lots. Second was offered by Jill Duca.

An amendment was offered by David Russell with a second by Jill Duca to sell, by public auction or sealed bid, Town owned lots in Shellcamp, to abutters only with restriction that these lots would be merged with currently owned lots, the following fourteen (14) lots. This amendment removes Tax Map 0048-0066-0000 and 0048-0130-0000 from the list. Tax Map 0048-0066-000 should be retained and sold next year due to the fact that it has a cottage on it now. Tax Map 0048-0130-0000 is included in the list for Article 16.

Lots Include: Shellcamp

This article was adopted by a voice vote in the affirmative.

ARTICLE #25: David Russell moved to see if the Town will vote to authorize the creation of a non-capital reserve fund, in accordance with RSA 35:1-c, to be used for surveying and title work on Town owned land; and to raise and appropriate the sum of \$10,000 to be deposited in that fund, and to designate the Selectmen as agents to expend from that fund. Jill Duca seconded this motion. (Recommended by Board of Selectmen \$10,000; Recommended by Budget Committee \$10,000)

\$10,000.00

This article was adopted by a voice vote in the affirmative.

ARTICLE #26: To see if the Town will vote to instruct the Board of Selectmen to sell by Quitclaim Deed Tax Map 14, lot 0004-7000, L16V Deer Drive, to David & Kathleen Glassier, for the sum of \$500.00, on such terms as the Selectmen deem just. (By Petition)

This article was Tabled as this lot was included in Article 13.

ARTICLE #27: To see if the Town will vote to instruct the Board of Selectmen to sell by Quitclaim Deed Tax Map 0047, lot 67-00, Lakeshore Drive, Gilmanton, to Eric and Lucien Bouchard, for the sum of \$500.00, on such terms as the Selectmen deem just. (By Petition)

This article was Tabled as this lot was included in Article 15.

ARTICLE #28: To see if the Town will vote to authorize the Selectmen to convey the Town's interest in property located on Warbonnet Lane, Map 47, lot 159, to Robert Fraser, on or after April 18, 1998, on such terms and conditions as the Selectmen deem just for the sum of \$500.00 (Five Hundred dollars). (By Petition)

This article was Tabled as this lot was included in Article 15.

ARTICLE 12: This article was brought back to meeting and voted by paper ballot as required by law.

YES 106* **NO 3**

ARTICLE #29: To hear the reports of any Committees chosen and pass any votes relative thereto.

There being no additional reports, this Article was passed over.

It was voted to adjourn the meeting at 1:15 PM.

Respectfully submitted,

Elizabeth R. Smithers
Town Clerk/Tax Collector

The Mercier Group
A Professional Corporation
Independent Auditor's Report on Financial Presentation

To the Members of the Board of Selectmen
Town of Gilmanton, New Hampshire
Gilmanton, New Hampshire

We have audited the accompanying *Summary of Tax Warrants*, *Summary of Tax Lien Accounts* and *Summary of Town Clerk Fees* of Elizabeth R. Smithers, Town Clerk/Tax Collector for the period of January 1, 1999 to August 20, 1999. These summaries are the responsibility of the Tax Collector. Our responsibility is to express an opinion on these summaries based on our audit.

We conducted our audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the *Summary of Tax Warrants*, *Summary of Tax Lien Accounts* and *Summary of Town Clerk Fees* are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the *Summary of Tax Warrants*, *Summary of Tax Lien Accounts* and *Summary of Town Clerk Fees*. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall summary of warrants, tax liens and fees presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the summaries referred to above present fairly, in all material respects, the *Summary of Tax Warrants*, *Summary of Tax Lien Accounts* and *Summary of Town Clerk Fees* of Elizabeth R. Smithers, Town Clerk/Tax Collector, for the period of January 1, 1999 to August 20, 1999 in conformity with generally accepted accounting principles applicable to cash transactions.

Paul J. Mercier, Jr., CPA

BOARD OF SELECTMEN

Can you believe another year has gone by? Thank goodness we had no disasters. The weather did us a great service.

The year 1999 was another year for personnel turn overs. Our Police Chief, Maurice "Bud" Salmon retired. In the year 2000, the Selectmen will be searching for a new Police Chief. The Selectmen also have the job of hiring a new Fire Chief.

The Stone Road Bridge project was completed and what a wonderful job, thanks to Virgin Construction. The Town received 80% grant money from the State of New Hampshire.

Our biggest project this year is the closing of our landfill, and the building of a transfer station. The landfill will be closing in 2000. The landfill closure monies will be voted on at the March Town Meeting.

We are proud of the following organizations in the Community that do volunteer projects:

Gilmanton Snowmobile Club for making trails;
Garden Club for planting flowers and their donation to the Boy Scouts;
Women's Club for the donation of money and clothing;
OK Chorale for their beautiful music and toys for Town children;
Gilmanton Gals for donating money to the Gilmanton Supplemental Fund.

We also wish to thank all the many other organizations in Town for their contributions.

The year 2000 is census year. We will have information at the Academy Building for assistance with completing your form. It would be appreciated if everyone fills the forms out. Every form that is not completed and returned will cost the State of New Hampshire \$675 per person from the Federal Government.

And finally, we would like to thank Dave Russell for his many years of dedicated service to the Town as Selectman and Emergency Management Director. His many hours spent weekly on Town affairs will be missed. We hope he will still be active in Town organizations.

Respectively submitted,

David H. Russell, Chairman
Phylis E. Buchanan
Eric S. Muzzey
Board of Selectmen

GILMANTON FIRE DEPARTMENT

The Gilmanton Fire Department saw many changes in 1999. The departure of Chief Jim Clough and Deputy Dick Gilmore led to some major restructuring within the department.

The Fire Chief's position is currently vacant and the Town is currently seeking candidates for this position. We hope to have a Chief in place early 2000. The position of full-time Deputy Chief was eliminated and two FF/EMTs were hired as replacements. 1999 also saw the removal of the Building Department from the Fire Department. Responsibilities were shifted to a part-time position managed out of the Selectmen's Office.

The restructuring of the Gilmanton Fire Department was not easy. Many hours were invested and many opinions were voiced.

Our members continue to strive for one common goal and that is to provide the best in fire protection and emergency medical care that we possibly can. We stand ready to assist those in need 24 hours a day, 7 days a week. Our full-time station coverage is Monday – Friday, 8:00 a.m. – 4:00 p.m. Additional hours are covered by our call staff.

We are a call/volunteer organization and we welcome those with an interest to visit us to learn how you can be a part of this department.

1999 saw an increase in calls from 1998. The Gilmanton Fire Department handled 396 calls for service: 137 fire related calls, 25 service call, 184 medical emergencies and 50 motor vehicle accidents.

In closing, I would like to wish all the citizens of Gilmanton a fire safe year and remind everyone to check their smoke detectors this coming spring and fall.

Respectfully submitted,

Paul J. Hempel, III
Acting Fire Chief

REPORT OF TOWN FOREST FIRE WARDEN AND STATE FOREST RANGER

To aid your Forest Fire Warden, Fire Department and State Forest Ranger, contact your local Warden or Fire Department to find out if a permit is required before doing ANY outside burning. Fire permits are required for any open business unless the ground is completely covered with snow where the burning will be done. Violations of RSA 227-L:17, the fire permit law and the other burning laws of the State of New Hampshire are misdemeanors punishable by fines of up to \$2,000 and/or a year in jail. Violators are also liable for all fire suppression costs.

There are eleven Forest Rangers who work for the New Hampshire Division of Forests and Lands, Forest Protection Bureau. During the 1999 season, Forest Rangers were busy assisting communities with suppression of difficult and remote multi-day fires. Fire Rangers have also investigated numerous complaints regarding violations of the timber harvest and forest fire laws, and taken enforcement action to ensure compliance. If you have any questions regarding forest fire or timber harvest laws, please call our office at 271-2217.

There are 2400 Forest Fire Wardens and Deputy Forest Fire Wardens throughout the state. Each Town has a Forest Fire Warden and several Deputy Wardens who assist the Forest Rangers with forest fire suppression, prevention, and law enforcement. The 1999 fire season was a challenging but safe year for wildland firefighters in New Hampshire. The severe drought conditions throughout the spring and summer months combined with residual efforts of 1998 Ice Storm, resulted in a dramatic increase in wildland fires. In addition to burning in excess of 452 acres, 35 structures were also impacted by wildfire. Wildland fires in the urban interface is a serious concern for both landowners and firefighters. Homeowners can help protect their structures by maintaining adequate green space around them and making sure that houses are properly identified with street numbers.

The State of New Hampshire operates 15 fire towers, 2 mobile patrols and 3 contract aircraft patrols. This early detection and reports from citizens aid in the quick response from local fire departments. This is a critical factor in controlling the size of wildland fires and keeping the loss of property and suppression costs as low as possible.

Please contact your local fire department before doing ANY outside burning.

REMEMBER ONLY YOU CAN PREVENT FOREST FIRES!!

Forest Ranger

GILMANTON POLICE DEPARTMENT

This year the healthy economy has again played havoc with our staffing as well as other departments throughout the state. The turnover rate for police officers is still on the rise and officers are leaving smaller departments for better paying agencies or leaving law enforcement itself for higher paying jobs in private industry.

This year, we lost a significant portion of our department. As this letter is being written, we are in the process of looking for a new Chief of Police and a Patrolman. The staff of the Gilmanton Police Department, with the help of the Belknap County Sheriff's Department, will continue to provide the best service possible until we are back up to full staff.

On December 17, 1999, Chief "Bud" Salmon retired after 25 years of law enforcement. Chief Salmon served the Town of Gilmanton since 1983 when he came to the department as a Sergeant. He was promoted to the Chief's position in 1984 and is responsible for bringing the fledgling police department to what it is today.

Chief Salmon accomplished many things over the past 17 years including establishing department rules and regulations, instituting a consistent field training program for new officers and making this department a proud and proficient small department. Chief Salmon has continually assigned officers to the school, providing a constant flow of communications between the law enforcement, the school and the children of the town. He was instrumental in many programs that brought the department closer to the community and the people that we serve.

We as a department would like to thank him for his 17 years of service to the town and the department. He will leave a legacy of consistency, fairness, professionalism and pride. He will be missed and we wish him the best of luck in his retirement.

Officer Russell Boynton, a Special Officer with our department, left due to demands that his full time job has placed on him.

In June of 1999, Officer Jeff Sipes was hired as a new part time officer. Officer Sipes currently works as a Detective for the Laconia Police Department. We have been fortunate over the past years to hire part time officers who are full time certified. By hiring a full time certified officer reduces training costs and allows us to still provide quality service to the town.

Officer James Quealy, who graduated from the New Hampshire Police Academy and his field training program, completed his one year probationary period in December. We would like to congratulate him on this accomplishment.

This year also marked our 10th year of teaching D.A.R.E. to our school children. To mark this occasion, the Gilmanton PTA, the Gilmanton School and the Police Department hosted a pre-graduation basketball game between the Gilmanton "All Stars" and the famous Harlem Rockets.

All in attendance enjoyed the game and the festivities. We would like to thank the PTA and the School for joining us in bringing this event to Gilmanston.

While we have been short staffed this year and will continue to be for some time, we will strive to provide the best service possible.

Police Department Members 1999

6. Less - interest, surplus, recycled tons and communities over GAT	<u>(733,000)</u>
Net to be raised by Co-op Communities	\$4,487,621

2000 GAT of 122,938 and Net Budget of \$4,487,621 =

Tipping Fee of \$36.50 per ton

We are happy to report to all member communities that 1999 marked the tenth complete year of successful operations. Some items which may be of interest follow:

The 2000 budget maintains the current tipping fee of \$36.50 per ton. This is the sixth consecutive year the Cooperative has been able to either lower or maintain the tipping fee.

The waste delivered to the Wheelabrator facility this year was 132,851 tons. That represents an increase of 4,834 tons over 1998, or a 3.78% increase. The amount of trash delivered continues to rise as predicted.

A total of 65,152 tons of ash were delivered to the Franklin ash monofill for disposal. The Ashfill continues to operate very well. Phase III Stage III is being filled at this time. The most recent expansion (1996) will provide disposal capacity for the next six years.

The air retrofit project at the plant has started. The project is on schedule and will be completed by January 2001. The retrofit will enable the plant to meet the most recent EPA and DES regulations.

The Cooperative purchased approximately 300 acres this past year for possible use as either an ash landfill or waste landfill in the future. The purchase will provide the Cooperative disposal capacity well into the future.

GILMANTON HIGHWAY DEPARTMENT

It looks like we made it through another year. This year was much easier than last year, the weather cooperated sparing us from ice storms, hurricanes, torrential rain storms and heavy snow storms, etc. Thanks to the weather, we were able to finish projects related to the washouts from the summer of 1998. "Thank you" to everyone that helped us by keeping your culverts at the end of your driveway clean of brush, sand and debris. This is very important for road maintenance and keeping your driveway from washing out. There was a new State law passed and adopted by the Board of Selectmen to have land owners take care and be responsible for their own culverts entering the public way. This used to be taken care of by the highway department.

The summer projects consisted of shimming and sealing of Elm Street, Old Stage Road from the intersection of River Road going southwest and ending at Beauty Hill Road. The ditches were cleaned, culverts were cleared of debris and sand on Elm Street, and Old Stage Road from Route 107 to Route 140. The finish coarse of asphalt was placed on Middle Route from the Hill Top Farm to the intersection of Leavitt Road. The summer projects also consisted of the reconstruction of Sawyer Lake Road from the club meeting house to the culvert just past the old store. The work consisted of breaking up the existing asphalt, removing a blind hill lowering it for visibility and safety. Adding gravel to the base of the road with 18" of ledge pack crushed gravel 3" minus, adding 8" of ledge pack gravel 1" minus, and replacement of culverts. Erosion stone was placed on the steep banks and highly erodible ditches. The base asphalt layer of 2" binder was placed this year and the 1" finish wear coarse will be placed in the summer of 2000. The last project was the reconstruction of Upper City Road where we widened the old roadway and cleared the large trees and stumps. We also replaced culverts, added drainage and erosion stone on the steep slopes of the hill. The road was excavated and blasted into ledge, the asphalt was reconstructed for base. An additional 18" of base ledge pack crushed gravel 3" minus was added and 8" of ledge pack gravel 1" minus was added. The base layer of 2" binder asphalt was placed and the 1" finish wear coarse will be placed in the summer of 2000.

Proposed projects for the next year, subject to change, include the finish wear coarse on Upper City Road and Lawyer Lake Road. Shim and sealing of Guinea Ridge Road from Hidden Valley Road to the end of the asphalt. Widening of Mountain Road from Varney Road to the town line in Alton. Widening Hidden Valley from the Scout Camp to the town line Alton. The remainder of funds will be used on Middle Route continuing from Leavitt Road going toward the Belmont Town line.

Once again, the highway employees would like to thank the public for their support and patience! Please continue your journey with safety in mind and good roads, and allowing us to make them better.

Respectfully submitted,

Robert L. Potter, Jr.
Road Agent

GILMANTON PLANNING BOARD

The year 1999 was a busy year for the Planning Board. A total of 13 applications were processed. There were four subdivision applications for a total of 11 residential lots. Three applications were processed for commercial site plans and one for an excavation permit. The remaining applications were boundary line adjustments. The Board spent a substantial amount of time with the site plan applications to insure that the environment, property values and safety were not adversely impacted, while encouraging commercial development whenever and wherever it is consistent with the Gilmanon Master Plan.

At the 1999 March Town Meeting, the Board proposed three Zoning Ordinance amendments to further clarify our Zoning Ordinance. The Board is grateful for the support of the community in approving these proposals.

This year the Board has been very active in reviewing both our regulations and land use ordinances to identify where additional changes are needed to keep pace with technological and economic conditions. The Board is proposing four ordinance amendments for the 2000 March Town Meeting as part of this activity and requests your continuing support.

After public hearings, significant amendments have already been made to the Subdivision Regulations to provide more flexibility in protecting the rural character of the Town in the face of changing economic conditions, to make clear the criteria used by the Board in reviewing applications, and to insure that the land use regulations remain current with State regulations.

The Board is continuing to study ways to better protect the Town from uncontrolled growth as the economy of New Hampshire continues to expand. Information was provided by the Board at two public input meetings as to the issues and possible Zoning Ordinance amendments to address them, and extensive public input was obtained. Further public input will be requested over the next few months. Please help the Board in this important endeavor by fully participating in these forums.

The Board meets regularly on the second Thursday of each month at the Gilmanon Academy, 7:30 p.m. (check the *Citizen*, the Academy Building or one of our two Post Offices for agendas)

Respectfully Submitted,

GILMANTON HISTORIC DISTRICT COMMISSION

The Gilmanton Historic District Commission is charged with the responsibility of maintaining the architectural integrity of the two Historic Districts which the Town has established - the Gilmanton Corners district and the Smith Meetinghouse District. When any new construction or exterior modifications are proposed for properties within the Districts, property owners are required to make application to the Commission for a Certificate of Approval.

The Commission meets regularly on the first Tuesday of each month at 7:30 p.m. at the Academy to review applications and to transact other business. During 1999, the Commission received eight applications and issued Certificates of Approval for the following work:

- 1-99 Ken & Eva Paige, Smith Meetinghouse Road – 10' x 16' shed
- 2-99 H.L. Pete & Barbara Osler, Route 140 - Stone wall to replace picket fence
- 3-99 Paul & Martha Levesque, Route 140 – 14' x 18' patio
- 4-99 Hal Shapiro, High Street - Replace window
- 5-99 Barbara F. Donahue, Route 140, Parking area and move existing gazebo
- 6-99 Hottel Family Trust, Route 107 – Remove loading dock, overhand, second door, handicap access ramp
- 7-99 John & Holly O'Shea, Route 107 – Demolish and replace ell
- 8-99 George B. Roberts, Jr., Meetinghouse Road – 10' x 17' shed

During the course of the year, the Commission worked with the Building Inspector and Board of Selectmen to correct several violations to the Regulations. The Commission's activities also included forwarding copies of the Regulations to new property owners and sending out reminder letters prior to the start of the construction season.

The Commission also considered and voted 4-0 to go on record as opposing a petitioned article to remove a property identified as Map 25, Lot 10 on Route 107 from the Gilmanton Corners District. The petition will be voted upon as a zoning change on the March 2000 Town Meeting ballot. As a property containing one of the oldest structures in the Gilmanton Corners District, the consensus of the Commission was that the removal of the property would be detrimental to the integrity of the District.

Respectfully submitted,

W. John Funk, Chairman
Gilmanton Historic District Commission

ZONING BOARD OF ADJUSTMENT

The Zoning Board of Adjustment held a total of 12 meetings in 1999. Of the 19 applications submitted, five Appeals of Administrative Decision were granted, six variances were granted and one was denied. Eleven Special Exceptions were granted, one application was withdrawn, one Equitable Waiver of Dimensional Requirement was approved.

All meetings are open to the public. Regular meetings are usually held on the third Monday of each month and all residents of Gilmanton are invited to attend.

Presently there are member vacancies, and any person interested in becoming a member of the Board is encouraged to contact the Selectmen.

Respectfully submitted,

John D. O'Shea, Jr., Chairman
William Angevine, Vice Chairman
Elizabeth Hackett
H.L. "Pete" Osler

Carolyn Baldwin, Alternate

CONSERVATION COMMISSION

At the beginning of 1999, the Conservation Commission's primary goal was to become more active in promoting the best use of Gilmanton's natural resources. The Commission was fortunate to acquire six well-qualified and dedicated members. These additions resulted in a full Commission of six members and two alternates.

During the March Town Meeting, it was voted to retain nine Town parcels for Town Forests, five smaller parcels for conservation or recreational land and some small lots at Valley Shores. In addition, deed restrictions were put on six Town parcels for sale at public auction. This Commission is largely responsible for the monitoring and management of these lands. Some areas may provide for timber harvesting. The Commission members voted to name the 200+ acre forest off Howard Road the Elizabeth R. (Betty) Smithers Town Forest. Betty was instrumental in forming a committee to recommend which Town parcels should be retained for Gilmanton's future.

Our bylaws were adopted in May. During 1999 at least ten concerns and complaints required investigation and action. The commission assisted in processing seven NH Environmental Services permit applications involving wetlands.

The 18+ acre conservation land off Howard Road and the 122+ acre Town Forest off Gale Road were monitored. Interaction with Town officials, boards and groups such as The Gilmanton Land Trust and the Gilmanton Snowmobile Association proved beneficial.

We have begun the ambitious project of developing natural resources inventory. Geographic information systems maps, which should be beneficial to the Town, are being assembled.

The Conservation Commission's regularly scheduled meetings are held every second Wednesday of the month and are open to the public.

Respectfully submitted,

Nancy Stearns, Chairman
J.C. Kip Richardson
Brenda Sens
Amanda Lindley Stone
Patrick D. Hackley
Nancy Rendall
Amy Pollock (alternate)

GILMANTON LAND TRUST

The Gilmanton Land Trust is a private non-profit organization of the Gilmanton citizens organized to preserve and protect the special places of the Town for forestry, agriculture, recreation, wildlife habitat, watershed protection and scenic beauty. Our mission is also to educate citizens and landowners about conservation options and benefits.

The Trust's major project this year has been to work with other groups around Loon Pond and the Conservation Commission to raise funds to purchase a conservation easement on the "Jones Farm", a 120+ acre property with extensive frontage on the Pond. Thanks to the generous support of more than 200 households, the "Jones Farm Conservation Area" will remain undeveloped except for one single family dwelling. A portion of the property, the Charles F. Tasse trails, will be open to the public for low-impact recreation such as hiking and cross-country skiing.

The Land Trust holds its annual meeting in August. Board meetings are held monthly. For further information, contact Chairman Gary Ambelas, 364-2828, or Secretary Carolyn Baldwin, 435-8814 or CWBLDWN@aol.com.

Respectfully submitted,

Gary Ambelas, Chairman
Carolyn Baldwin, Secretary

LAKES REGION PLANNING COMMISSION

Lakes Region Planning Commission (LRPC), with a service area covering over 1,200 square miles in Belknap, Carroll and Grafton Counties, is one of nine regional planning agencies established by state statute. We continued to have a very busy year. Our work program remains diverse with activities such as local planning assistance, circuit rider planning, regional information systems and mapping, transportation planning, economic development, and natural resources planning. We are funded through multiple sources including local dues contributed by member municipalities. LRPC was called upon many times each day to provide local technical advice, and to respond to requests for service. We have also continued to maintain a regular dialogue with those state agencies that depend on us for a linkage to the communities in the Lakes Region. Our goal remains to provide support and leadership to the region, its governments, businesses, and citizens.

A few of our accomplishments over the past year are as follows:

- Co-hosted and organized three public Municipal Law Lectures where practicing attorneys provide a legal perspective on local planning, zoning and other municipal issues.
- Performed substantial research leading to the publication of the *Lakes Region Scenic Byway Corridor Management Plan*. The Plan is a guide for local communities interested in maintaining or enhancing the qualities of a scenic Byway.
- Completed an assessment for a regional household hazardous waste collection center for the Lakes Region. Conducted a regional meeting as a follow up.
- Completed the 1999 update to the *Regional Transportation Improvement Program (TIP)*. The regional TIP is used by the NH Department of Transportation to prepare the biennial update to the State Ten-Year Plan.
- In cooperation with the NH Department of Environmental Services, LRPC completed the second year of community outreach that sought priority natural, cultural, and historic resources in all communities. Over 1300 features have been identified.
- Maintained the Regional Census Data Center, an extensive database of demographic and socioeconomic data on the region, state, and the U.S.

- Coordinated the 14th annual Household Hazardous Waste Collection (HHW), the largest single day, multi-site collection in New Hampshire. Renewed efforts to include a permanent HHW Collection Center.
- Continued area commission meetings to facilitate opportunities for local communities and commissioners to discuss regional projects and priorities, and the role of the commissioner.
- Provided administrative support to the Advisory Task Force concerned about the relocation of a section of NH Route 140 in the Town of Belmont. The Task Force includes members from neighboring communities.
- Provided information, including local regulatory recommendations, to communities about the National Flood Insurance Program.
- Enhanced LRPC's Web Site, www.lakesrpc.org, for the delivery of timely information to our members and the greater public. The web site contains information on meetings and schedules, current ORPC activities, as well as extensive traffic count and socioeconomic database. There are approximately twenty-seven requests a day from the web site.
- In cooperation with the NH Department of Transportation, the LRPC assumed a major role in conducting an extensive traffic data collection program in all area communities.
- Fulfilled regional efforts leading to the completion of the *Route 16 Corridor Study*. This report includes several innovative transportation and land use recommendations that can benefit all communities.
- Maintained staff support for the Pemigewasset River Local Advisory Committee. The committee is continuing efforts to prepare a corridor management plan. It is anticipated for completion next year.
- Convened two citizen educational workshops: One on the location of cellular towers, and the other on preparing an implementing a successful community survey.
- Initiated research on regional commercial, industrial, and residential development trends.

We look forward to serving Gilmanton in the future. Feel free to contact the LRPC at 279-8171 for additional information or whenever we can be of assistance.

The Corner Library 1999 Season began in May expanding its book selections to include audio-books and large print editions. Travel and drama videos were also introduced. Our Children's Reading Program began in May thanks to Lisa Clark. We were open weekly including one evening and during the weekend thanks to the dedication of Terry, Cathy, Emily, Glenna, Chrissy, Naomi, Betty and Margaret. We sincerely appreciate our patrons for the various kind ways they support us.

We are very grateful to those who donated a total of 1200 books to the library for use in our circulation or to sell in the annual book sales. Our many volunteers helped make this a successful year for the library.

The library is now handicapped accessible and is ADA compliant thanks to the tremendous effort of Joshua Hughes who selected the library for his Eagle Scout project. Our special appreciation goes to Joshua for this helpful addition to our library.

Respectfully submitted,

Alice M. Bean, Trustee

GILMANTON PARKS AND RECREATION COMMISSION

Gilmanton Parks and Recreation sponsored the July 4th dance, fire works and many activities for the Gilmanton Youth Organization.

The annual Labor Day softball games were held at the Crystal Lake Park. Swimming lessons were offered again and almost 70 children received Red Cross certificates in 6 skill levels, including instructor certificates. The park was used by the GYO and School for softball and soccer. Crystal Lake Park has been used on several occasions as requested for weddings, reunions, company and family celebrations.

The park attendant was on duty from June 1st until September 1st. We continue to maintain the beach, remove brush and repair tables through the summer when the park attendant is on duty. The scoreboard was repaired and painted. This fall soil samples were tested and the field has been fertilized. A new wall was built to repair the bath house. The scoreboards were painted and lighting in the pole barn repaired. We are currently gathering needed information in the planning of a septic system that would enhance the ball field and upgrade the bath house to flushing toilets. We want to thank the voters for their financial support and the volunteers who donate their time to continue to make the park and it's programs a wonderful resource to our community.

TRUSTEES OF CEMETERIES

In 1999, we continued to provide general maintenance on the cemeteries under our care and to move forward with this year's reclamation project which was the reconstruction of the wall at the Tibbets Cemetery on Route 140 in the Iron Works. This is one of the larger projects we've undertaken, and we are excited about being able to make this much-needed repair.

Carl Moorehead has continued to provide maintenance for our cemeteries and we are very pleased in the neat, maintained way each site has looked during the year. He is now working to reclaim the French Road Cemetery through the removal of several trees and brush.

We want to acknowledge and thank many citizens who have taken the time to help maintain cemeteries in their own neighborhood. This is a very worthwhile effort and provides each of us with a great deal of personal satisfaction.

Respectfully submitted,

Marion McIntyre

REPORT OF THE REPRESENTATIVES OF THE GENERAL COURT

This year, Stan Czech was elected to fill the vacancy left by Alice Z. Calvert. Alice served ten years as our representative for Belknap District 5, and was on the Health, Human Services and Elderly Affairs Committee. Alice leaves a very big pair of shoes to be filled and she will be missed. Stan Czech who replaced Alice is a former Selectman from Alton and is on the Transportation Committee and will be on the Resources, Recreation and Development Committee for the next session. Rob Boyce was selected to be on the Finance Committee. Gordon Bartlett remains on the Transportation Committee.

Much of the 1999 session was spent on Claremont related issues. Cigarette taxes were increased to help support the \$825 million school tax package. Video gambling was defeated as was a sales tax. A state income tax was passed and then vetoed by the Governor, and finally, a state property tax was established to meet the needs of the court mandated school funding issue.

Finally, we wish to express our great sadness at the loss of Representative Paul Golden. Paul will be remembered in the legislature most for his easy going and often humorous nature. In committee, he was often able to bring about compromise when others failed. Paul had many friends in the General Court, and many legislators sought him out for advice on the many issues we face during the sessions. Paul Golden's passing is not only a loss for his family and friends and the Town of Barnstead, but also to the State of New Hampshire.

Gordon Bartlett
524-6536

Robert Boyce
875-7371

Stanley Czech

NEW BEGINNINGS A WOMEN'S CRISIS CENTER

On behalf of New Beginnings A Women's Crisis Center and those we serve, I would like to thank the Town of Gilmanton for its continued support. The \$525.00 allocation in 1999 assisted us in providing emergency services, advocacy and support to those whose lives have been affected by domestic and sexual violence.

New Beginnings offers 24-Hour Crisis Line. We operate a full time shelter for women and children and have safe homes for male victims; provide support and advocacy at courts, hospitals, police stations, and social service agencies. New Beginnings offers peer support groups for those affected by domestic or sexual violence, assists with needs assessments, case management and housing options; and does community outreach and education programs for youth, teens and adults. **All services are confidential and are provided free of charge.**

The advocacy, outreach, education and support services our agency provides represent many service hours and individuals. In 1999, our agency documented 6,510 requests for services as well as requests for educational and community outreach. There were eight contacts that were of unknown residence.

New Beginnings is one of 14 members of the statewide NH Coalition Against Domestic and Sexual Violence, promoting statewide networking and resource sharing among domestic and sexual assault programs. The coalition is an evaluating body and administrator of state and federal contracts that provide subsidiary funding for member programs while advocating for legislative change that affect victims/survivors of domestic and sexual violence.

We greatly appreciate the support of the Gilmanton community. We are dedicated to human service, social responsibility and fiscal accountability. Although, New Beginnings represents a finite portion of the Gilmanton Town Budget the returns are immeasurable. We welcome your participation in our efforts to insure a world of safety for our children and ourselves. Volunteers are an integral part of the work done by our agency. In 1999, there were 13,132 hours of service provided by volunteers. They are always needed and the opportunity to service is fulfilling.

Thank you for joining us to *make a difference.*

Sincerely,

Kathy Keller, Director
New Beginnings A Women's Crisis Center

COMMUNITY ENGAGEMENT TEAM OF GILMANTON

In April 1999, the Gilmanton School submitted an application to the Governor's Office as part of the statewide Best School's Leadership Initiative (BSLI). The goal of BSLI is: All Learners Meeting High Standards. The six points of action that focus on reaching that goal include: Excellence in Teaching; Students Ready to Learn; Strong Educational Programs; High Quality Learning Environments; Parents, Citizens, Educators and Business Working together; and Technology as an Educational Tool. The original application, which focused on many of these points of action, was one of 20 accepted to participate in the first round of the initiative. Gilmanton's project will be sponsored by the NH Department of Education and the Governor's Office for at least three years.

The theme of the project: **Engaging the school in the life of the community and the community in the life of the school** has been developed by a group of community members and school personnel who have chosen the title of Community Engagement Team (CET). The CET has participated in intensive training during the summer as well as monthly meetings with projects and training sessions. There will be community forums and discussion groups during the Fall of 2000 when all community members will be invited to participate in discussions around their goals for Gilmanton. Anyone desiring more information about the Community Engagement Team should contact Stan Bean, Maureen Delaney or Anne Kirby at the school or Selectmen's Office.

Respectfully submitted,

Maureen Delaney

Financial Reports

for the

Town of Gilmanton

Year Ending December 31, 1999

TOWN WARRANT

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Gilmanton in the County of Belknap in said state, qualified to vote in Town Affairs:

You are hereby notified to meet at the Gilmanton Academy in said Gilmanton on Tuesday, the Fourteenth day of March 2000, next at 7:00 of the clock in the forenoon, to act upon the following subjects:

ARTICLE #1: To choose all necessary Town Officers for the year ensuing.

ARTICLE #2: Are you in favor of the adoption of Amendment #1, *Change the Boundary of the Gilmanton Corner Historic District?* (By Petition) (The Planning Board DOES NOT support this amendment):

According to a meeting in March 1978, there is an imaginary line that goes through the property located on Route 107, directly across from the Dickey property line, putting the house and the garage in the Historic District and leaving the remainder of the property out of the District. The property consists of 4.25 acres. This proposal by petition would remove the entire lot from the Historic District.

ARTICLE #3: *Are you in favor of the adoption of Amendment #2 to Zoning Ordinance Article VI – Mobile Home/Manufactured Housing, and Article XVI – Definitions, as proposed by the Planning Board? The Planning Board DOES support this amendment)*

To update the article to be consistent with the current RSA definitions, require that replacement trailer coaches and manufactured housing meet applicable codes, and to require that replacement of these units with units of a different footprint obtain a Special Exception. Manufactured housing units have become relatively permanent structures and without some building code controls, could represent an ongoing danger not only to the original owners but to future purchasers and renters. Also, as manufactured housing units become larger, it is important to regulate their installation on undersize lots.

ARTICLE #4: *Are you in favor of the adoption of Amendment #3 to Zoning Ordinance Article IV – Zoning District Regulations, and Article VII – Non conforming Uses, Lots and Structures, as proposed by the Planning Board? (The Planning Board DOES support this amendment)*

To increase the minimum conventional road frontage from 150' to 200' in the Rural District to reduce the number of curb cuts thereby increasing traffic safety on Town and State Roads, to better accommodate well and septic requirements, and to be more in character with the rural nature of the Town. Lots currently conforming with the 150' frontage requirement in the Rural District will be grandfathered.

ARTICLE #5: Shall we adopt the provisions of RSA 72:35, IV for an optional tax credit on the taxes due on residential property for service-connected total disability? The optional disability tax credit is \$1,400, rather than \$700.

Any permanently and totally disabled Veteran is entitled to a tax credit of \$1400 once this article has been adopted. Currently this tax credit is only \$700. This tax credit must be applied for before March 31st to be eligible for the previous year's taxes.

The following articles will be acted upon at the Gilmanton School on Saturday, March 18, 2000, at 10:00 a.m.

ARTICLE #6: To see if the Town will vote to raise and appropriate the sum of not more than Eight Hundred Thousand Dollars (\$800,000.00 gross budget) for the closing of the landfill and construction and equipping of a new transfer facility and to authorize the issuance of not more than Eight Hundred Thousand Dollars (\$800,000.00) of bonds or notes in accordance with the provisions of the Municipal Finance Act (RSA 33) and to authorize the municipal officials to issue and negotiate such bonds or notes and to determine the rate of interest thereon. (Recommended by Selectmen \$800,000.00: Recommended by Budget Committee \$725,000.00) (2/3 ballot vote required)

ARTICLE #7: To see if the Town will vote to appropriate three Hundred Thousand Dollars (\$300,000.00) to be deposited in the Landfill Closure Capital Reserve Fund created for that purpose, with \$250,000 coming from the undesignated fund balance and Fifty Thousand Dollars (\$50,000) from taxation. And furthermore, to name the Board of Selectmen as agents to expend those funds. (Recommended by Selectmen \$300,000.00: Recommended by Budget Committee \$300,000.00)

ARTICLE #8: To authorize the Selectmen as agents for the Town to apply for grant monies to be applied to the Landfill Closure project.

ARTICLE #9: To see what sum of money the municipality will vote to raise and appropriate for the support of Town Government and for payment of the statutory obligations of the Town for the 2000 fiscal year, exclusive of all other warrant articles. (Recommended by Selectmen \$2,490,824: Recommended by Budget Committee \$2,344,847)

	Selectmen Recommendation	Budget Committee Recommendation
Selectmen	479,258.00	454,018.00
Police Department	248,362.00	241,699.00
Fire Department	225,210.00	188,613.00
Highway Department	608,908.00	606,431.00
Solid Waste	929,086.00	<u>854,086.00</u>
TOTALS:	\$2,490,824.00	\$2,344,847.00

ARTICLE #10: To see if the Town will vote to raise and appropriate the sum of one thousand twenty four dollars (\$1,024.00) for the purpose of funding the Town's support of the Lakes Region Cable Television Consortium. This appropriation will fund the Town's access fee until June 30, 2001. (Majority vote required)

ARTICLE #11: To see if the Town will vote to raise and appropriate the sum of One Thousand Dollars (\$1,000.00) to be placed in a Non-Capital Reserve Fund authorized by RSA 35:1c for the repair, maintenance or replacement of office equipment in the Selectmen Office or Town Clerk/Tax Collector Offices, and to designate the Board of Selectmen as agents to expend. (Recommended by Selectmen \$1,000.00: Recommended by Budget Committee \$1,000.00) (Majority vote required).

ARTICLE #12: To see if the Town will vote to authorize the creation of a Non-Capital Reserve Fund, in accordance with RSA 35:1-c, for employee severance pay; and to raise and appropriate the sum of Two Thousand Dollars (\$2,000.00) to be deposited in that fund, and to designate the Selectmen as agents to expend from that fund. (Recommended by Selectmen \$2,000.00: Recommended by Budget Committee \$2,000.00) (Majority vote required).

ARTICLE #13: To see if the Town will vote to raise and appropriate the sum of Twenty Thousand Dollars (\$20,000.00) to be placed in Capital Reserve Funds established for the following purposes: (Recommended by Selectmen \$20,000.00: Recommended by Budget Committee \$20,000.00) (Majority vote required).

	Selectmen Recommendation	Budget Committee Recommendation
Bridge Fund	\$5,000.00	\$5,000.00
Assessing Update	5,000.00	5,000.00
Tax Mapping	<u>10,000.00</u>	<u>10,000.00</u>
TOTALS:	\$20,000.00	\$20,000.00

ARTICLE #14: To see if the Town will vote to raise and appropriate the sum of Twenty Two Thousand Two Hundred Dollars (\$22,200.00) for the purpose of funding the one time payment to "Lakes Region Mutual Fire Aid" for the Town's share of construction costs of a new Mutual Aid Command Center. (Recommended by Selectmen \$22,200.00: Recommended by Budget Committee \$22,200.00). (Majority vote required).

ARTICLE #15: To see if the Town will vote to raise and appropriate the sum of Twenty Thousand Five Hundred Dollars (\$20,500.00) to be placed in Capital Reserve Funds for the following items: (Recommended by Selectmen \$20,500: Recommended by Budget Committee \$20,500). (Majority vote required).

	Selectmen Recommendation	Budget Committee Recommendation
Refurbish 9M4	10,000.00	10,000.00
Refurbish Rescue/Ambulance	5,500.00	5,500.00
Radios & Pagers Hi Band/Mutual Aid	<u>5,000.00</u>	<u>5,000.00</u>
TOTALS:	\$20,500.00	\$20,500.00

ARTICLE #16: To see if the Town will vote to appropriate Twelve Thousand Five Hundred Dollars (\$12,500.00) to purchase two (2) new defibrillators for the Fire Department and to authorize the withdrawal of Seven Thousand Dollars (\$7,000.00) plus accumulated interest from the Capital Reserve Fund established for this purpose. The remaining Five Thousand Five Hundred Dollars (\$5,500.00) to be raised by taxation. (Recommended by Selectmen \$12,500.00: Recommended by Budget Committee \$12,500.00.) (Majority Vote required).

ARTICLE #17: To see if the Town will vote to appropriate Six Thousand Two Hundred and Fifty Dollars (\$6,250.00) to purchase a High Pressure Forestry Pump and Forestry Hose. The Town has received approval of a Federal Ice Storm Grant that will reimburse 80% of this appropriation. Actual impact to the Town is Twelve Hundred and Fifty Dollars (\$1,250.00). (recommended by Selectmen \$6,250.00: Recommended by Budget Committee \$6,250). (Majority voted required).

ARTICLE #18: To see if the Town will vote to raise and appropriate the sum of Eight Thousands Five Hundred Dollars (\$8,500.00) for Highway Safety Grants as listed below. The Radar & Computer will be reimbursed at 50%. The funds will not be expended unless the grants are approved. (Recommended by Selectmen \$8,500.00: Recommended by Budget Committee \$8,500.00) (Majority vote required)

	Selectmen Recommendation	Budget Committee Recommendation
Radar	\$3,000.00	\$3,000.00
Computer	<u>5,500.00</u>	<u>5,500.00</u>
TOTALS:	\$8,500.00	\$8,500.00

ARTICLE #19: To see if the Town will vote to raise and appropriate the sum of Four Thousand Five Hundred Dollars (\$4,500.00) for Highway Safety Grants as listed below. These grants are for salaries for the following details and will be reimbursed at 100%. These funds will not be expended unless the grants are received. (Recommended by Selectmen \$4,500.00: Recommended by Budget Committee \$4,500.00) (Majority vote required)

	Selectmen Recommendation	Budget Committee Recommendation
